BROUGHT TO YOU BY

Gettysburg Wire

WELCOME

Give local. *Gather local.* Love where you live.

Every gift on this list comes from somewhere you can drive to. A farm market in the Fruit Belt, a bakery on a borough square, a gallery on York Street, an antiques shop in New Oxford. When you shop here, the money stays here, paying local wages and keeping the lights on along our main streets.

We pulled together 122 independent shops, farms and makers from across Adams County, sorted by the kind of gift you are hunting for. Take it with you, circle a few, and make a day of it. Grab a coffee, stop for lunch, and say hello to the people behind the counter.

Know a shop we missed? Tell us at gettysburgwire.com and we will add it to the online guide.

Happy holidays from Gettysburg Wire
